Reflection

Gathering Prayer for Health Care Leaders

Glorious and Blessed God,
we place our work and ourselves in Your hands.
Anoint our creativity, our ideas, and our energy
so that even the smallest task may bring You honor.
God, when we are challenged, guide us,
when we are weary, energize us.
May the work that we do and the way that we do it,
bring hope, life and courage to all with whom we minister.
Bless our leaders with wisdom and discernment,
our associates and physicians with commitment and compassion,
our patients and their families with courage and strength.
Rooted in Your love, may Your face illuminate
all activities done in Your Holy Name.

Amen.

Mission and Ministry Fund

History and Purpose

The founding congregations urged the creation of a fund to provide grant support to organizations within the Catholic Health Initiatives family that take innovative, replicable and sustainable approaches to building healthy communities.

Purpose: to provide funding for planning, development and implementation of new initiatives to promote healthier communities.

- Hallmark of CHI's Spirit of Innovation and dedication to creating healthier communities
- 497 grants awarded, totaling more than \$79 million
- One of the most visible ways CHI lives the vision of our foundresses

MMF Grant Types

- **Planning Grants-** Enable applicants to establish broad-based coalitions that involve all stakeholders in building community capacity
- **Project Grants-** Enable applicants to work in collaboration with others to implement action plans that address specific, documented community needs or opportunities
- **International Grants-** Enable applicants to work in collaboration with others to implement action plans that address specific, documented community needs or opportunities outside of the United States; up to 10% of annual cycle may be awarded to international grants
- **Violence Prevention Grants-** Enable applicants to work with their community to implement a violence prevention initiative that meets the CHI strategic goal of reducing violence
